

ENHCC Consultation 10-14 April 2024: Call for Papers, Posters & Workshops

We invite all participants at the ENHCC consultation to make a contribution to the consultation, to showcase research and good practice. Your presentation must be related to the theme of the consultation.

'Being a Healthcare Chaplain: Remaining present and engaged in a fragile world'

The contributions can take different forms:

- ✓ Paper/ Poster on good practices
- ✓ Paper/ Poster on relevant research
- ✓ Workshop sharing knowledge and experience through discussion and practical work

Information

Please indicate the type of contribution you will make. You will have 40 minutes for the presentation at the consultation. For each type, there is a corresponding format. You should follow this format when submitting the abstract of the contribution. The abstract should be between 200 and 300 words, including any references.

Paper on good practices

Format: Background/introduction, Aim of contribution, Description of good practice, Discussion of good practice, Three questions for further discussion in group.

Paper on relevant research

Format: Background/introduction, Aim of contribution, Method of research, Results of research, Discussion of results, Three questions for discussion in group.

Workshop with sharing knowledge and experience

Format: Background/introduction, Aim(s) of workshop, Content of workshop, Course or working method of workshop, Workshop outcome(s)

Abstracts should be submitted via this online link by 01 January 2024
