Viktor Frankl (1905-1997)

Frankl found that helping others made us stronger, and though he was an atheist when arrested, he found God at Auschwitz,.

Kijk in jesaja 11

kan jij dat ?

And the spirit of the LORD shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the LORD.

But with righteousness shall he judge the poor, and decide with equity for the meek of the land; and he shall smite the land with the rod of his mouth, and with the breath of his lips shall he slay the wicked.

Kijk in Maimonides Jad hachazaka

If a king will arise from the House of David who diligently contemplates the Torah and observes its mitzvot as prescribed by the Written Law and the Oral Law as David, his ancestor, will compel all of Israel to walk in (the way of the Torah) and rectify the breaches in its observance, and fight the wars of God, we may, with assurance, consider him Mashiach.

If he succeeds in the above, builds the Temple in its place, and gathers the dispersed of Israel, he is definitely the Mashiach.

He will then improve the entire world, motivating all the nations to serve God together, as [Tzeephaniah 3:9](#) states: "I will transform the peoples to a purer language that they all will call upon the name of God and serve Him with one purpose."
